PROPERTY NAME: Tarpon Cove

CONTRACT EFFECTIVE DATE: May 1, 2021, through April 30, 2022

SUBMITTED BY: Jeff Moding

SPECIFICATIONS: Semi-Annual Ditch Trimming & Clearing (April & October)

This agreement (the "Agreement") is made as of the date indicated above and is by and between SOLitude Lake Management, LLC ("SOLitude" or the "Company") and the customer identified above (the "Customer") on the terms and conditions set forth in this Agreement.

1. **The Services.** SOLitude will provide services at the Customer's property as described in Schedule A attached hereto:

2. **PAYMENT TERMS.** The Annual Contract Price is **\$1850.00**. SOLitude shall invoice Customer **\$925.00 per treatment** for the Services to be provided under this Agreement. The term of this agreement is for a period of twelve (12) months, with payment invoiced on the first day of each treatment month, reminding them that a contract payment is due by the end of that same month. The customer is obligated to pay each semi-annual contract payment per the terms of this contract, without any obligation on the part of SOLitude to invoice or send any other sort of reminder or notice. The Annual Contract Price is based on the total value of services to be provided over a period of twelve (12) months. For the convenience of the customer, we offer Monthly Contract Pricing that is simply an even twelve (12) month amortization of the Annual Contract Price. Due to the seasonality of these services, and the disproportionate amount of time and materials dedicated to providing these services during some times of the year as compared to others, based on the season, weather patterns, and other natural factors, the amount billed and paid to date is not necessarily equivalent to the amount of work performed to date. For this reason, should the Customer cancel the contract early, or be in default for any reason, the Customer will be responsible for immediately paying the remaining portion of annual contract work completed to date.

The Customer will be liable for any returned check fees and any collection costs, including reasonable attorney fees and court costs, for any invoices not otherwise timely paid, and interest at the rate of 1% per month may be added to all unpaid invoices. Should the work performed be subject to any local, state, or federal jurisdiction, agency, or other organization of authority for sales or other taxes or fees in addition to those expressly covered by this contract, the customer will be invoiced and responsible for paying said additional taxes in addition to the contract price and other fees above. SOLitude shall be reimbursed by the customer for any non-routine expenses, administrative fees, compliance fees, or any other similar

expense that are incurred as a result of requirements placed on SOLitude by the customer that are not covered specifically by the written specifications of this contract.

3. TERM AND EXPIRATION. This Agreement is for an annual management program as described in the Schedule A attached. Any additional services will be provided only upon additional terms as agreed to by the parties in writing. Contract will automatically renew annually at the end of the contract effective date for subsequent one (1) year terms, with a three percent (3%) escalation in the Annual Contract Price each year, under the same terms, specifications, and conditions as set forth by this contract, unless either party gives written notice of cancellation thirty (30) days prior to the termination date of this contract, or subsequent renewal contracts.

4. DISCLAIMER. SOLitude is not responsible for the failure of any treatment, equipment installation, or other work that result from dam or other structural failures, severe weather and storms, flooding, or other acts of God that are outside of the control of SOLitude.

Customers understands and acknowledges that there are irrigation restrictions associated with many of the products used to treat lakes and ponds. The customer is responsible for notifying SOLitude in advance of the contract signing and the start of the contract if they utilize any of the water in their lakes or ponds for irrigation purposes. The customer accepts full responsibility for any issues that may arise from the irrigation of turf, ornamentals, trees, crops, or any other plants as a result of treated water being used by the customer for irrigation without the consent or knowledge of SOLitude.

Although there is rarely direct fish toxicity with the products used for treatment when applied at the labeled rate, or the installation and normal operation of the equipment we install, there is a risk under certain circumstances of significant dissolved oxygen drops. This risk is most severe in times of extremely hot weather and warm water temperatures, as these are the conditions during which dissolved oxygen levels are naturally at their lowest levels. Oftentimes lakes and ponds will experience natural fish kills under these conditions even if no work is performed. Every effort, to include the method and timing of application, the choice of products and equipment used, and the skill and training of the staff, is made to avoid such problems. However, the customer understands and accepts that there is always a slight risk of the occurrence of adverse conditions outside the control of SOLitude that will result in the death of some fish and other aquatic life. The customer also understands and accepts that similar risks would remain even if no work was performed. The customer agrees to hold SOLitude harmless for any issues with fish or other aquatic life which occur as described above, or are otherwise outside the direct control of the SOLitude, unless there is willful negligence on the part of SOLitude.

5. INSURANCE AND LIMITATION OF LIABILITY. SOLitude will maintain general liability and property damage insurance as necessary given the scope and nature of the Services. The Company will be responsible for those damages, claims, causes of action, injuries or legal costs to the extent of its own direct negligence or misconduct, and then only to an amount not to exceed the annual value of this
