Notice of Inspection  
Environmental Resource Permit (ERP) No. 11-01457-P  
Collier County**

Dear Mr. Blouir:

This letter is to provide notification that a site inspection conducted on February, 24, 2025, and a concurrent review of our files indicate that the referenced project is currently in compliance with the special conditions of the ERP.

The South Florida Water Management District (District) appreciates your continued efforts to maintain your conservation easement in compliance with the ERP.

If you have any questions or require additional assistance, please contact Shyler Carlson at 239-338-2929 ext. 7788 or via email at [scarlson@sfwmd.gov](mailto:scarlson@sfwmd.gov).

Sincerely,

A handwritten signature in black ink that reads "Shyler Carlson".
