COMMUNICATION

Tarpon Cove has a community website <https://tarponcove.info>. Here you will find information regarding the Board of Directors, Board Meeting Minutes and Monthly financials and more. Access to some information require a username and password. Use [this form](#) to request a username and password.

There are bulletin boards located throughout the community. The bulletin boards contain important notices of upcoming events. Information is changed frequently by our property manager.

In addition to bulletin boards, email is the preferred method for communication. Emails are most effective in getting important, time sensitive information to owners. To be included in “email blasts” it is important that the property manager have your correct email on file. Two email addresses are allowed for each unit.

WiFi is available at the Community Center and all pools. To access the internet at these locations, connect to the network **TCCA** and use the password **tarponcove**. [all lowercase]

Florida statues allow you to choose how you receive information from the Association, email, or postal mail. Email has proven to be the most efficient way to communicate. You are encouraging to sign up for “electronic communication.”

To use electronic communication, we must have a copy of your consent on file. An online consent form can be found on the Form’s page, on the TarponCove community website at www.TarponCove.info . Click on the Forms page and select *Consent form for Electronic Communication*. You can also access the form directly by clicking [here](#).

Not only does email communication represent the most efficient way to get information to owners, but it also represents a savings in postal, material and labor costs.

You certainly have a choice. If we do not have your consent form on file, the management company will continue to mail information to you.

If you have any questions or need assistance, contact our property manager Emma Dávila-Mondragón Manager@TarponCove.info, or 239-227-1331.

Garbage and Recycling Guidelines

For the collection of Trash and Recyclables, Tarpon Cove has six dumpster locations within the community where you can dispose of trash plus, we have one recycle collection center. The trash dumpster locations are (1) in Barbados Tarpon Cove Drive, (3) on Carrick Bend Circle and (2) in Martinique.

It is important to note we must follow the strict guidelines of the Waste Management company. If not, Tarpon Cove will be fined, and our association is faced with a preventable expense.

The recycling collection center is in the Bimini Pool parking lot. Do not put food in the recycle bins. The waste management company will not take away any recycles with food inside. Please close all doors when leaving.

Questions about recycling? [Click Here](#)

Please do not leave trash outside of the dumpster or tossed on top. We have had a history of bears being in our community due to trash being left outside of dumpsters.

Especially in season you may find the dumpster, closest to your condo, full. If that is the case it is OK to put your trash in any dumpster. The Property Manager will always call for an extra pick up if necessary.

All Trash Must Be Placed inside the Dumpsters

Garbage and Food Waste

Recyclables ONLY –(No Food Waste)

Large Items, Furniture, Electronics, Appliances, Etc.
